Electrical Installations

Trading & Industrial Support

Manpower Supply

Commercial & Residential Work

Civil Works

We have a strong panel of skilled as well as semi-skilled laborers along with the supervision of highly qualified engineers and supervisors from different countries to take on any challenging civil or concrete repair projects. In Civil Construction we undertake Backfilling, Excavation, Asphalt, Concrete, Paving, Foundations, Road works, Sewerage & Water Treatment Plants works etc.

General Maintenance Services:

AMR is providing its well-known and high-quality proven services in the field of General Maintenance Service. Currently we are engaged in Aramco projects and some other company.

Our Expertise includes:

- Buildings
- Prefabricated buildings
- City Improvements & Beautification
- Warehouses
- Workshops

Mechanical Services

Our Mechanical Services division provides high-precision engineering, installation, maintenance, and repair solutions for heavy industries, petrochemical plants, refineries, and power generation facilities. Equipped with advanced machinery, specialized tools, and a team of highly skilled engineers and technicians, we deliver turnkey mechanical solutions. From routine static equipment maintenance to complex rotating machinery overhauls, we ensure maximum asset reliability, operational efficiency, and minimized plant downtime.

Electrical Installations

Our Electrical Installations division delivers comprehensive, end-to-end electrical engineering, installation, commissioning, and maintenance services for the industrial, energy, and infrastructure sectors. Adhering to the most stringent international standards (IEC, IEEE, NEC) and local operator regulations (Saudi Aramco, SABIC, SEC), our team of certified electrical engineers and technicians executes complex projects safely and efficiently.

Core Capabilities & Services

- Substation & Power Distribution Networks
- Industrial Cabling & Cable Management Systems
- Plant Lighting & Small Power Systems
- Earthing, Grounding & Lightning Protection
- Backup Power & UPS Systems
- Pre-Commissioning, Testing & Maintenance

Value Proposition / Why Partner With Us for Electrical Installations?

- Hazardous Area (Ex) Competency
- Aramco & SEC Pre-Qualified Professionals
- Precision Testing & Calibration Fleet
- Integrated E&I Capability

Trading & Industrial Support

Our Trading & Industrial Support division serves as a reliable, single-source partner for the Kingdom's oil & gas, petrochemical, energy, and manufacturing sectors. We deliver end-to-end procurement, material supply, and technical support services designed to optimize plant operations, reduce downtime, and streamline supply chains. Driven by efficiency and compliance, we bridge the gap between global manufacturers and local industrial needs.

we pride ourselves on delivering exceptional procurement solutions, tailored to suit our clients' requirements. Our team of experienced professionals ensures efficient handling of sourcing, negotiations & supply chain management, maximizing cost savings and optimizing operational effectiveness. With extensive expertise in the market, we offer a wide range of services to support your business growth. From vendor selection and contract management to risk assessment and quality control, we guarantee transparency and accountability throughout the procurement process.

Core Capabilities & Services

- Industrial Equipment & Spare Parts Supply
- MRO (Maintenance, Repair, and Operations) Supplies
- Technical Manpower & Workforce Solutions
- Heavy Equipment & Logistics Support
- Urgent Local Sourcing & Spot Buying

Value Proposition / Why Partner With Us?

- Uncompromising Quality Assurance
- Robust Supply Chain Network
- 24/7 Turnaround Support
- Strict HSE Compliance
- Local Content Alignment (IKTVA)
- Streamlined Vendor Consolidation
- Technical Sourcing Expertise

Manpower Supply

We provides dependable, scalable, and highly qualified workforce solutions to meet the demanding requirements of the oil & gas, petrochemical, construction, power, and manufacturing sectors. Recognizing that human capital is the backbone of operational success, we maintain a robust talent pool of certified professionals, skilled craftsmen, and technical specialists. Whether supporting long-term plant operations or executing fast-tracked emergency shutdowns, we deliver field-ready personnel who adhere to strict safety standards and drive project efficiency
